

# Only the best

Here at KHS Electrical we pride ourselves on ensuring we only provide the best service to our customers. No matter what the job.

CONTACT US

## Our Services

### ELECTRICAL CONTRACTING

We can undertake contracts both big and small to suit any projects needs.

### ELECTRICAL INSPECTION

We can provide inspection reports or evaluations on any type of electrical work.

### FACILITIES MANAGEMENT

We can manage something but im not really sure what this one is tbh I copied it off a website.

### MEASURED TERM CONTRACTS

We are available to be contracted out for long or short term contracts. Do you need a reliable team of electricians for your next project?.

### IOT INSTALLATIONS

Is your home joining the 21st Century? We can install smart home devices such as Nest,Hive and Ring. Contact us to enquire about your devices.

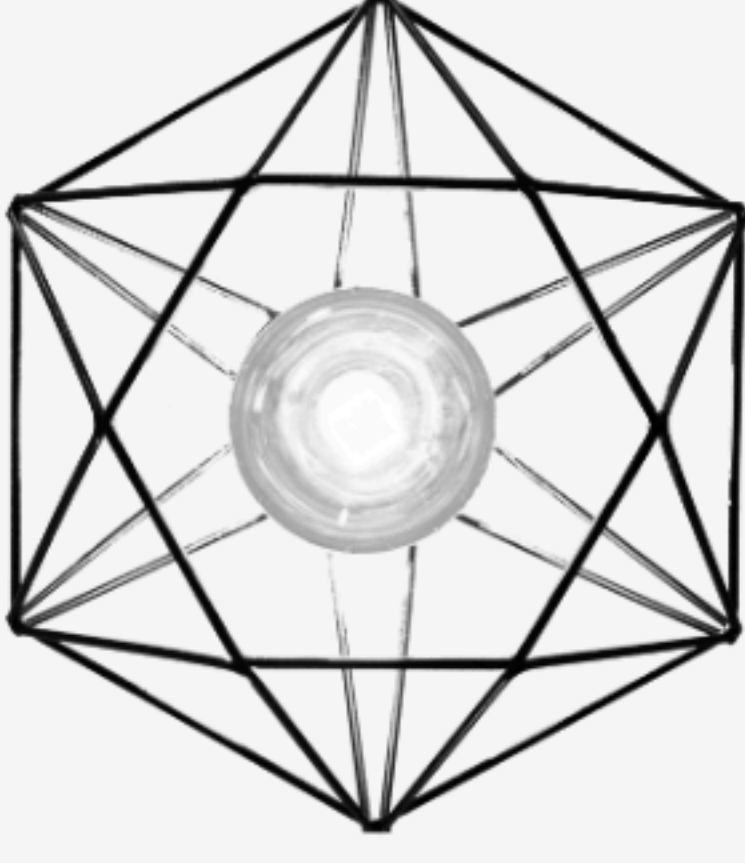

### FAST & EFFICIENT SERVICE

No matter the service you require here at KHS Electrical we will always provide a fast, efficient and professional service.

## Why Us?
